To whom it concerns,

This is to confirm that Yayasan IDEP has received two grants from the Bali Rehabilitation Fund as follows:

Bali Care's Project with total amount of fund Rp. 31.475.000,00 date of implementation from December 18, 2004 to March 18, 2005 and Production of BRF Publication with total amount of fund Rp. 258.425.000,00 date of implementation from February 15, 2006 to May 8, 2006.

Yayasan IDEP has completed all aspects of these tasks and related documentation and reporting to our satisfaction and in line with BRF Guidelines.

In addition to this, Yayasan IDEP has maintained ongoing networking relationship and consultation with the BRF and indeed other development actors in Bali and Indonesia more broadly and I am happy to attest that they are a bonafide development organisation.
