Ordering details

Thank you for your interest in Yayasan IDEP's Community Based Disaster Management (CBDM) Kit. These prices include printing, production and ongoing development of the CBDM kit. Please note that all prices are subject to change without notice. Orders under 500 pcs are subject to availability of stock on hand at time of placing your order. Organizations who order more than 1,000 pcs per item can have their logo printed on the printed items. For logo inclusion, a standard fee may be charged for prepress & color separations. Allow up to 6 weeks from receipt of deposit for delivery of goods. Minimum deposit is 50% value of complete order. After order confirmation estimated shipping costs will be prepared, which will be billed separately. Please fill in the evaluation form included in the kits so that we can continue to develop the kits as per your projects' and communities needs. Thank you for your cooperation and support.
